REPRESENTATION FEE

- A. If an employee as defined in Article I does not become a member of the Association during any membership year (i.e. from July 1 to the following June 30) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Association for that membership year. This fee will be to offset the cost of services rendered by the Association as majority representative.
- B. Prior to the beginning of each membership year, the Association will notify the Board in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by non-members shall not exceed 85% of that amount.
- C. **Procedures:**
1. Once during each membership year covered in whole or in part by this Agreement, the Association will submit to the Board a list of those employees who have not become members of the Association for the then current membership year. The Board will deduct from the salaries of such employees, in accordance with paragraph 2 below, the full amount of the representation fee and promptly will transmit the amount so deducted to the Association.
 2. The Board will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid 10 days after receipt of the aforesaid list by the Board.
 3. If an employee who is required to pay a representation fee terminates his or her employment with the Board before the Association has received the amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion of the fee from the last paycheck paid to said employee during the membership year in question, provided the same occurs to dues paying members.
- D. **Indemnification**

Said monies together with current records of any corrections shall be transmitted to such person as may from time to time be designated by the Linwood Employees Association each month following the monthly pay period in which deductions were made. The person designated shall disburse such monies to the appropriate association or associations.

Each of the associations named above shall certify to the Board, in writing, the current rate of its membership dues. Any association which shall change the rate of its membership dues shall give the Board written notice prior to the effective date of such change.

ARTICLE IV

GRIEVANCE PROCEDURE

A. Definitions

1. Grievance

A grievance is a claim by an employee or the Association wherein they may appeal the interpretation, application or violation of policies, agreements and administrative decisions adversely affecting the terms and conditions of employment. An employee must state what contract provisions, policy or administrative decision is being grieved and the remedy sought.

B. Purpose

The purpose of this procedure is to resolve grievable differences at the lowest possible level.

C. Procedure

1. Time Limits

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. Time limits specified may, however, be extended by mutual agreement.

2. Year End Grievances

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year, could result in irreparable harm to any person(s) covered by this Agreement the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

3. Level One - Principal or Immediate Superior

An employee with a grievance shall first discuss it with his principal or immediate superior within ten (10) school days of the occurrence, and he may be accompanied by an Association representative with the objective of resolving the matter informally. If the employee is not satisfied as a result of the discussion, he may file a grievance within ten (10) school days thereafter.

4. Level Two - Superintendent

If the aggrieved person is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within five (5) school days after the presentation of the grievance, he may file the grievance in writing with the Association within five (5) school days after the decision at Level One or ten (10) school days after the grievance was presented, whichever is sooner. Within five (5) school days after receiving the written grievance, the Association shall present it to the Superintendent of Schools.

5. Level Three - Board

If the aggrieved person or the Association is not satisfied with the disposition of the grievance at Level Two, or if no decision has been rendered within five (5) school days after the presentation of the grievance, he may file the grievance in writing with the Association within five (5) days after the decision at Level Two or ten (10) school days after the grievance was presented, whichever is sooner. Within five (5) school days after receiving the written

grievance, the Association may refer it to the Board of Education. A hearing will be held with the Board Grievance Committee and/or the full Board within ten (10) school days. If the aggrieved person or the Association is not satisfied with the disposition of the grievance at Level Three or no decision has been rendered within ten (10) school days, only the Association may process the grievance to Level Four.

6. Level Four - Arbitration

- a. If the aggrieved person is not satisfied with the disposition of his grievance at Level Three, he may request in writing that the Association submit its grievance to arbitration. If the Association determines that the grievance is meritorious, it may submit the grievance to arbitration within fifteen (15) school days after receipt of a request of the aggrieved person. However, the arbitration procedure does not apply to the following:
 - (1) Any matter for which a method of review is prescribed by law.
 - (2) Any rule or regulation of the State Commissioner of Education.
 - (3) Any by-law, rule, regulation and/or policy of the Board of Education which does not adversely affect an employee's terms and conditions of employment. The arbitrator is the sole determination of arbitrability.
 - (4) A complaint of a non-tenured employee as defined in Article I, which arises by reason of not being rehired.
 - (5) A complaint of any employee occasioned by appointment to or lack of appointment to, or retention in, any presently nonexistent position for which tenure is either not possible or not required.
- b. Within ten (10) school days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to Public Employment Relations Committee by either party. The parties shall then be bound by the rules and procedures of the Public Employment Relations committee in the selection of an arbitrator.
- c. The Arbitrator so selected shall confer with the representatives of the Board and the Association and hold hearings promptly and shall issue his decision not later than twenty (20) days from the date of the close of the hearings or, if oral hearings have been waived, then from the date the final statement, and proofs on the issues are submitted to him. The arbitrator shall be limited to the issues submitted and shall consider nothing else. The arbitrator can add nothing to nor subtract anything from the Agreement between the parties. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding on the parties.
- d. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, and the cost of the hearing room shall be borne equally by the Board and the Association. The Board and Association shall not be required to reimburse the arbitrator for any subsistence expenses. Any other expenses incurred shall be paid by the party incurring same.

D. Rights of Employees to Representation

1. Employee and Association

Any aggrieved person may be represented at all stages of the grievance procedure with the representatives selected or approved by the Association.

2. Reprisals

No reprisals of any kind shall be taken by the Board or any member of the administration against any party in interest, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

E. Miscellaneous

1. Group Grievance

If, in the judgment of the Association, a grievance affects a group or class of employees in a particular building, such a grievance shall commence at Level One. However, if such a grievance affects more than one (1) building, and if the administrator handling the initial grievance does not have the authority to resolve the grievance, the Association may submit such a grievance in writing to the Superintendent directly. The processing of such a grievance shall commence at Level Two. The Association may process such a grievance through all levels of the grievance procedure even though the aggrieved person (s) does not wish to do so.

2. Written Decisions

Decisions rendered at Level One which are unsatisfactory to the aggrieved person and all decisions rendered at Levels Two and Three and Four of the grievance procedure shall be in writing setting forth the decision and the reasons therefore and shall be transmitted promptly to the grievant(s) and to the Association. Decisions rendered at Level Four shall be in accordance with the procedures set forth in Section C, paragraph 6 c. of this Article.

3. Separate Grievance File

All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

4. Forms

Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.

5. Meetings and Hearings

All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties involved and their designated or selected representatives, heretofore referred to in the Article.

6. Continuance

All employees, including the grievant, will continue to function under the direction of the Superintendent and Administration, regardless of any pending grievance, until such grievance is properly determined.

ARTICLE VI

TEACHER ASSIGNMENTS

All teachers shall be given written notice of their class and/or subject assignments, and room assignments for the following year no later than the last day of school when possible.

The Superintendent shall assign all newly appointed teachers to their specific position within that subject area and/or grade level for which the Board has appointed them. In emergency situations, the Superintendent may reassign the newly appointed teacher.

In the event that change in teaching assignments or room assignments proposed after the last day of school, the teacher affected will be notified.

Upon request of the teacher, changes shall be promptly reviewed by the Superintendent, teacher affected and at his option a representative of the Association.

ARTICLE VII

INVOLUNTARY TRANSFERS AND REASSIGNMENTS

A. Use of Voluntary Requests

No vacancy shall be filled by means of involuntary transfer or reassignment if there is a qualified volunteer available to fill said position provided the Superintendent determines that such an assignment is in the best interest of the school system. Involuntary transfer shall not be made capriciously as a punitive action. In addition, request for voluntary transfer will be kept on file for one year and will be given nondiscriminatory consideration.

B. Notice

Notice of an involuntary transfer or reassignment shall be given to teachers as soon as practical, not later than June 1, except, in case of emergency.

C. Meeting and Appeal

An involuntary transfer or reassignment shall be made after a meeting between the teacher involved and the Superintendent, or administrative designee, at which time the teacher shall be notified of the reason therefore. In the event that a teacher objects to the transfer or reassignment at this meeting, upon the request of the teacher, the Superintendent shall meet with the teacher. The teacher may, at his option, have an Association representative present at such meeting.

D. Priority in Reassignment

A list of open positions in the school district shall be made available to all teachers being involuntarily transferred or reassigned. Such teachers may request the positions, in order of preference, to which they desire to be transferred. Teachers being involuntarily transferred or reassigned from their present position may have preference over those seeking voluntary transfer or reassignment in regard to choice among those positions which are vacant, provided the Superintendent determines that such an assignment is in the best interest of the school system. A teacher being involuntarily transferred or reassigned shall be placed only in an equivalent position -- i.e., one which does not involve reduction in rank or in total compensation.

ARTICLE VIII

PROMOTIONS

- A.** Promotions shall be made from within the staff, whenever possible. In the event a vacancy, new position, or new program shall occur, notification of such vacancies will be emailed to staff at their linwoodschoools.org address, and posted on faculty and central bulletin boards. During summer months, a teacher will have the option to receive notification via email or self addressed stamped envelope. A teacher shall have fifteen (15) days to indicate interest. The final choice shall be made by the Board of Education.

ARTICLE IX
TEACHER EVALUATION

- A. Tenured Teachers will be evaluated consistent with N.J.A.C. 6A:32-4.4. Non-tenured Teachers will be evaluated consistent with N.J.A.C. 6A:4.5.
- B. All monitoring or observation of the work performance of a teacher shall be conducted openly and with full knowledge of the teacher. The use of eavesdropping, public address, audio systems, and similar surveillance devices shall be strictly prohibited.

A teacher shall be given a copy of any class visit or an evaluation report prepared by his evaluators at the time of the conference to discuss it. No such report shall be submitted to the central office, placed in the teacher's file or otherwise acted upon without a prior conference with the teacher. No teacher shall be required to sign a blank or incomplete evaluation form.

- C. A teacher shall have the right, upon request, to review the contents of his personnel file and to receive one copy of any documents contained therein at Board expense. Additional or subsequent copies will be in accordance with Board policy. A teacher shall be entitled to have a representative of the Association accompany him during such review. At least once every four (4) years, a teacher shall have the right to indicate those documents and/or other materials in his file which he believes to be obsolete or otherwise inappropriate to retain. Said documents shall be reviewed by the Superintendent and if, in fact, they are obsolete or otherwise inappropriate to retain, upon Superintendent approval, they shall be destroyed in the presence of the teacher.

No material derogatory to a teacher's conduct, service, character or personality shall be placed in his personnel file unless the teacher shall have the opportunity to review such material. The teacher shall have the right to submit a written answer to such material and his answer shall be reviewed by the Superintendent and attached to the file copy.

Although the Board agrees to protect the confidentiality of personal references, academic credentials, and other similar documents, it shall not establish any separate personnel file which is not available for the teacher's inspection.

- D. Any complaints regarding a teacher made to any member of the administration by any parent, student, or other person which are or may be used in any manner in evaluating a teacher shall be processed according to the following procedure:

The principal shall meet with the teacher to apprise the teacher of the full nature of the complaint and they shall attempt to resolve the matter informally. The teacher shall have the right to be represented by the Association at any meetings or conferences regarding such complaint. At all times the teacher shall have the right to face his accuser before any final action shall be taken. This excludes any allegations of abuse or neglect that have been referred to the Department of Children and Families (formerly DYFS).

- E. Final evaluation of a teacher upon termination of his employment shall be concluded prior to severance and no additional documentation and/or other material shall be added to the personnel file of such teacher after severance unless the former teacher receives a copy of the materials that are added.

1. Space for each teacher within each instructional area in which he teaches to store his instructional materials and supplies.
2. An appropriately furnished and air-conditioned room which shall be reserved for the exclusive use of teachers as a faculty lounge and work area. Although teachers shall be expected to exercise reasonable care in maintaining the appearance and cleanliness of said lounge, it shall be regularly cleaned by the school's custodial staff.
3. A serviceable desk, chair and filing cabinet for the exclusive use of each teacher in his instructional area, if space is available.
4. Well-lighted and clean teacher rest rooms, separate for each sex, and separate from the student's rest rooms.

Unused sick leave days shall be accumulated from year to year with no maximum limit.

Teachers shall be given a written accounting of accumulated sick leave days no later than September 15th of each year.

All benefit payments will be made equally over two school budget years

If the retiree does not give notice of retirement by December 1 preceding retirement, then the first benefit payment will be made by July 30th of the second budget year after retirement, and the final payment will be made by July 30th of the third budget year after retirement. When possible, a retiree may receive payment earlier if funds become available.

All unused sick leave benefits will be paid to the teacher's estate upon his or her death, provided that the individual meets the years of service requirement and the payment will be made according to the above schedule.
